

The ACI Choir presents...

“STAND BY ME”

November 10th from 2 to 3 PM

Hello friends and family of ACI!

My name is Val Poverenny and I have had the privilege of working with and instructing the choir here at ACI. Having said that, during the grueling months of the pandemic, my choir and I decided to record a cover of the classic song *Stand by Me* by Ben E. King to help lift the spirits of everyone affected, as well as our own. I would love to invite you all to join us in the broadcast of this song!

Please invite your friends and families to celebrate and see that there is always hope when you “stand by me”.
