

FOOD PANTRY

If you are a low income person with a disability or are impacted by the pandemic and need food...we can help!

The ACI Food Pantry is open Monday and Wednesday from 9 AM to 5 PM during the coronavirus pandemic. We still continue to get donations of food and are fully stocked with canned vegetables, fresh milk, peanut butter, bread, water, and other essential items. We also have a limited number of masks and gloves.

Please call **732-738-4388** to schedule an appointment for curbside pickup outside of the ACI office, located at **629 Amboy Ave, Edison, NJ.**

*The ACI Food Pantry is a proud member of the **Middlesex County Food Organization and Outreach Distribution Services (MCFOODS).***

ACI strictly adheres to CDC and state health department guidelines regarding social distancing and maintaining virus-free environments.
