

# LOOK TO THE STARS

Come to ACI to learn about the moon, the stars, and the night sky! Guest speakers from the Amateur Astronomers Inc. will teach us about what we can see when we look up at night.

If you have your own telescope or binoculars, please bring them to the event.

*Accommodations made upon request. Light refreshments will be served. In the event of inclement weather, you will be notified.*

**MARCH 27TH**  
6:30-8:30 PM

**629 AMBOY AVE**  
Edison, NJ

**COST**  
\$3.00

*"Astronomy compels the soul to look upwards and leads us from this world to another."*

*- Glaucon (the older brother of Plato) in Plato's *The Republic**
