

## NJ STATE REOPENING SURVEY - SUMMER 2020

The Alliance Center for Independence wants to hear from you!

As the number of COVID-19 cases has declined in NJ, the state has entered "Phase 2" of reopening. This means that restaurants, public facilities, and retail stores are now open (with limitations) to customers. Establishments have reconfigured their spaces (including outdoor seating for restaurants) in order to comply with social distancing and other guidelines.

In our continuing advocacy efforts during the COVID-19 pandemic, ACI is asking our constituents to provide feedback on accessibility of the establishments you are now patronizing. Please fill out this survey and send to [lkoppisch@adacil.org](mailto:lkoppisch@adacil.org) to help make NJ more accessible during the reopening process!

If you have any questions, please contact Luke Koppisch at [lkoppisch@adacil.org](mailto:lkoppisch@adacil.org)

Thank you!
