

TRUMP CALL-IN DAY

★ CALL THE TRUMP FOR PRESIDENT HEADQUARTERS ON JULY 14TH! ★

In January, the Trump for President Campaign received a list of 16 questions related to disability policy and issues important to the 54 million Americans with disabilities. The questionnaire was put together by RespectAbilityUSA, a Maryland-based disability advocacy organization. The questionnaire was sent to all the presidential candidates on both sides of the aisle. Since that time, however, all but the Trump campaign have responded.

As of now, the Trump campaign has refused to answer the questions or acknowledge them in anyway. Since January, calls, emails and a visit to his campaign headquarters in Edison asking Trump to complete the questionnaire have gone unanswered.

As the presumptive Republican presidential nominee, his continued dismissal of our community should not go unchallenged! Join us on Trump Call-In Day and send a message that we will not be ignored.

This call-in day has been organized by the Alliance Center for Independence and REV UP NJ. REV UP NJ is comprised of disability agencies throughout the state, including NJ Centers for Independent Living, the NJ Council on Developmental Disabilities, and Disability Rights NJ. To become involved in REV UP NJ, please sign up at our website: adacil.org/voting or visit our Facebook page: facebook.com/revupnj

REV UP NJ is part of a national movement to increase the participation of people with disabilities in the election process.

ACI and REV UP NJ are both non-partisan groups. We don't endorse or criticize any candidate. The purpose of our efforts is to educate NJ's disability community in voting and the election process.
