

National Public Health Week

Walk and Roll

ACI is proud to partner with the American Public Health Association (APHA) for National Public Health Week!

During the first week of April each year, APHA brings together communities across the United States to observe National Public Health Week to recognize the contributions of public health and highlight issues that are important to improving our nation.

Join us while we promote National Public Health Week by carrying signs and walking & rolling for our health! We will be meeting at the ACI office located at 629 Amboy Ave, Edison, NJ 08837.

Want to help make signs? Meet us at the ACI office on March 22nd from 11:00 AM to 12:30 PM. *Pizza included!*
